

Executive Director for NAMI of Missouri: NAMI of Missouri, an advocacy group working on programming and awareness for individuals living with mental illness and their families, is seeking an Executive Director. This position will work with the Board of Directors in fulfilling NAMI of Missouri's mission statement, work with outside groups and government entities in pursuit of this mission, and manage the day-to-day operations of the office including oversight of NAMI Missouri's staff and volunteer pool. This position is located in Jefferson City but travel around the state, including on weekends, will sometimes be required.

The applicant must possess a Bachelor's degree in the relevant fields (with a Master's degree preferred) along with extensive experience with the management of an organization. A background with mental health issues and government relations is preferred but not required. To apply, please send a cover letter, resume, and three professional references to:
